

## Banbury Cross TEC 2022 Calendar

We are so happy to showcase our beautiful horses in our very first calendar fundraiser. You can support Banbury Cross while keeping track of important dates and admire our program horses all year long.

All the proceeds for this fundraiser will support our program, allowing us to continue our mission of providing top notch equine assisted activities and therapies, and providing excellent care to our beloved herd.

Calendars will arrive at Banbury Cross mid-November, making the perfect holiday gift. You'll have plenty of time to pick one up before our fall session ends, or arrange for a pick up time in early December while we are closed for the season. Please complete a form to secure your copy! You will be notified when the order arrives to schedule a pickup.

Calendars are \$20 each.
